THE WAIKATO SYMPHONY ORCHESTRA (INC.)

Dear Patrons.

Welcome to our concert. Rather than print a formal programme we have produced this newsletter giving you information about the orchestra and its activities.

The orchestra for this concert has been in rehearsal since mid-February and is led by Ian Sweetman who returns to us from a period of leave. During his absence Frank Le Vaillant acted as leader and we are grateful to Frank for his hard work.

The music we are presenting tonight requires no bass-brass so these players will not appear until our next concert in August, when a concert of opera is planned.

The opera concert will involve the full orchestra and a chorus of seventy voices, plus soloists. Work has already commenced on this programme under the direction of Mona Ross.

TUBBY THE TUBA is sitting in the foyer and is rather forlorn. Like most of us - he is feeling his age. We are replacing 'Tubby' with a new instrument which is costing a large sum of money. Should you feel like helping towards this new instrument you may drop some money down 'Tubby's' mouth. Who knows - we may get some notes out of him yet.

THE SUPPORTERS CLUB is thriving with new members joining every day. If you would like to join write to us at - P.O. Box 1349, Hamilton, or enter your name and address in the book provided in the foyer. Membership is free and we need you.

ACKNOWLEDGEMENTS ATA Travel for assistance in providing music.

Ellis and Burnand for a substantial donation towards the cost of orchestral platforms.

SYMPHONIA OF AUCKLAND will be presenting a concert in the Founders Theatre, Hamilton on 3 May. This concert will be conducted by STANLEY BLACK and promises to be excellent entertainment.
